# Supervision Training Series

## Supervision Needs Assessed: Development of a Supervision Training Series

Thank you for your continued interest and participation in this important research project which seeks to learn about the needs of supervisors and leaders at CMHA, then develop and provide a training series which effectively responds to those needs.

You are invited to join us for the next phase of the project as we present a FREE one-day training event aimed at addressing the topics identified by participants in the online survey and focus groups.
